

NEWS LETTER

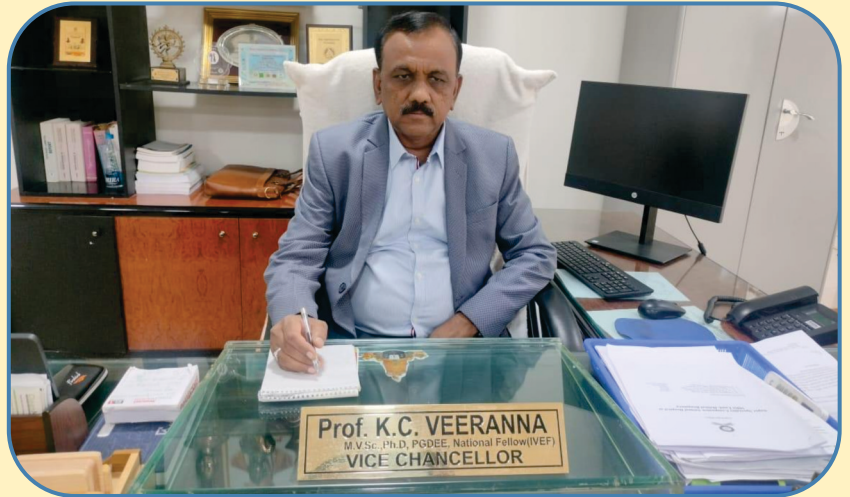

KARNATAKA VETERINARY, ANIMAL & FISHERIES SCIENCES UNIVERSITY NANDINAGAR, P.B. No. 6, BIDAR - 585 226

VOL - XIX, ISSUE-I

JANUARY-JUNE, 2023

From Vice-Chancellor's Desk

At the outset, I am happy to note that university has made progress in many collaborative outreach Programs during the period January to June, 2023. These include WOA Reference Laboratory, Veterinary College Bangalore with Karnataka Veterinary Council, Dept of AH and VS, FRIC Bhutnal with MANAGE, Hyderabad, Veterinary College Bangalore with CPDO and TI Hesaraghatta, KVK Mangalore with ISHA Foundation and LRIC (Deoni), Bidar with KMF and Shree Kshetra Dharmasthala Rural Development Programme likewise many programmes have also been organized in various institutions of KVAFSU, Bidar.

As per the directions of Government of Karnataka several programmes are being organized by our institutions in adopted villages for the benefit of farming community. A national integration camp was organized at Veterinary College, Hassan in which students from all the Universities of Karnataka participated which improved their personality and professional skills. These programmes are helpful in inculcating the qualities of patriotism and social service among the students.

I am happy to share that KVAFSU, Bidar celebrated University foundation day on 17th January 2023. On this occasion, Dr. Shrikrishna Isloor, Veterinary College, Bengaluru was awarded as the Best Teacher of KVAFSU, Bidar. The programmes like World Veterinary Day-2023 and World Milk Day-2023 were also celebrated during this period in different campuses.

Finally, I appreciate the efforts of the Director of Extension and his team for bringing out this edition of the news letter.

Sd/-
(K.C. Veeranna)
Vice-Chancellor

EDITORIAL

It is my pleasure and privilege to place before you the university news letter volume XIX, Issue-1, for the period January to June, 2023. Sincere efforts are being made to bring out the news letter covering all major events including achievements made by teachers and other staff members in the field of teaching, research and extension. Several seminars, symposia, conference, workshops and training programmes etc., have been organized during the reporting period. To strengthen teaching, research and extension in veterinary, Animal Science, Dairy and Fisheries, the university has signed MoUs with many national & international organizations in different forums. Several of our teachers have made the university proud by bagging national and international awards.
